Fun Day: In Kenny's absence Denise updated everyone on the Fun Day. This will now be held on 13th July after cancellation in June. It will be held at the Cricket Pitch area of Gilvenbank Park with access to the Sport Hub toilets etc. Drainage was discussed. Cllr Wincott & Denise were to follow this up although a temporary measure might be to fill with sharp sand. The area previously used for the Fun Day has now been put over to wild flowers as advised by Kevin Jolicoeur from Parks Department.

Out of Hours:

Still to be fully confirmed in detail was the news that the Glenrothes Out of Hours service was to be discontinued despite objections. The general feeling was this was bad news for the community. Michael Thornton stood alone in thinking this was a good idea as taxis were to be provided to go to Victoria Hospital. Cllr Wincott advised this was not policy yet, merely a suggestion. It was suggested that if this was to happen it should be put in place prior to closure. Also feedback was needed as to the impact on the ambulance service. Cllr Wincott advised of the IGB meeting at Fife House on 21st June which was open to all.
